THE ULTIMATE SIDEWALK SOLUTION !

100%
MADE IN ALBANIA

WINTER MAINTENANCE

Designed to get the most versatility from a single vehicle. Winter services operations play an important role in ensuring that highway networks are safe and available during adverse weather conditions.

TIMAK Snow Plough reduces the need for shovellers, maximizing productivity and efficiency—whether in metro, commercial or residential environments—where clean and clear walking surfaces are always the top priority.

TIMAK Winter Maintenance vehicles for every purpose!

With a variety of snow and ice control technologies and features to make your job more productive, TIMAK has what today's professionals need to take on winter and restore order.
