**BECAUSE, IN AN EMERGENCY,  
THERE ARE NO SECOND CHANCES.**

## EMERGENCY VEHICLES

### FIRE TRUCKS

TIMAK vehicles are always on hand when things start getting hot. Ergonomic cabs, low-consumption common-rail engines, emergency gearboxes with performance-oriented gear-shift logic specifically for emergency services vehicles and innovative technologies combine exceptional reliability with exemplary environmental sustainability.

Efficiency in fire management and disaster response means rescuing people faster, improving the way fires are extinguished, providing more effective protection and ensuring more reliable recovery operations.
